The Duke's Men of Yale

"In 1952 the group was begun. Yale is divided up into 12 residential colleges right now. You live in one of them depending on nothing other than a random selection made when you are admitted for your freshman year. One of the colleges is Saebrook College. Each college has a master who lives there, takes care of the rules, makes sure things don't get too loud all the time, et cetera. The master of Saebrook College at that time was a man named Basil Duke Henning. A bunch of guys made a singing group and they were all in Saebrook. They named themselves after the master and so they were the Duke's Men. We've been around ever since."

Student Union

How do you choose your music?

"You really couldn't type the music we sing. It's very diverse- a lot of older tunes, a lot of swing, and drowp. It's filtered in with some more modern stuff and ballads, gospel- some of the more contemporary stuff. All of our tunes though, for the most part, are arranged and conducted by Duke's Men ourselves or Duke's alumni. So the musical creation of the group is really self-perpetuating."

How competitive are the auditions?

"Really very competitive to tell you the truth. About 90 to 95 people tried out this year and we took 8 new members- 7 freshmen and a sophomore. It's tough."

Do you reaudition each year?

"Oh, no, you're in for life. Once a Duke's Man, always a Duke's Man- no doubt!"

What's best about being a Duke's Man?

"That's a good question. I suppose it is- I know how cliché this is going to sound!- the guys in the group. I mean we sing some really nice music and we tell a lot of funny jokes, but it's the same thing over and over again and it would get boring if it weren't for the group. We spend an awful lot of time together, but fortunately we come together and we have a great variety. It's a great bunch of guys."

Mark Russell

"My two favorite things about Jesse Helms," Russell boomed, "are that he is colorful and he is not my senator!"

Mark Russell, the piano-playing political comedian of PBS fame, had clearly done his homework for the Winston-Salem crowd that gathered in Wait Chapel on Friday, March 22. The audience delighted in the way Russell personalized his show for North Carolina fans, including jokes about toxic waste, Piedmont Airlines, Ross Johnson, and of course Senator Helms.

Russell entertained for more than an hour with his unique blend of political satire and musical compositions. In between jokes about the Gulf War, Gorbachev, and the S&L crisis, Russell crooned original songs about Schwarzkopf, taxes, and the 1992 Democratic presidential nominee.

Before signing on with PBS in 1975, Russell worked with local radio and television stations in Washington, D.C. His first job was straight piano playing at Washington's Shoreham Hotel, where he added jokes and songs to his repertoire. His act was so popular that he remained at the Shoreham for 20 years.

"I got into politics only because of the physical location of that hotel," Russell said. "If it had been Detroit, I would have done jokes about the automobile business. If it had been Winston-Salem, I'd have been the official tobacco comedian."

"It's a boring story," he said, "because I would rather tell a journalist, 'Well, I worked for a senator and I didn't like what I saw, and I thought with my little piano I'll change things.' but it wasn't like that."

It seems that there aren't any political situations that Russell can't make humorous, but he said that the Gulf War was hard to handle. Especially on the night of January 16:

"The night the war started was opening night at Ford's Theater in Washington. We thought to ourselves, should we cancel? We don't want to appear insensitive here. But people didn't turn in their tickets...they trusted me."

Russell said that when he walked on stage, he was really nervous.

"I said, 'There is only one thing we are thinking about tonight. One topic about which we are so obsessed. Should Pete Rose go to the Baseball Hall of Fame?' And I just went on from there and it was fine."

Just as sure as politics will continue to occupy Americans' minds, Russell will continue to add humor to difficult national situations. After a few laughs with Mark Russell, politics doesn't seem so serious after all.

While the World Waited

(Right) By mid-October, The United States had deployed more than 400,000 troops. (Opposite page, top) ROTC color guard stands at attention at home basketball game. (Opposite page, bottom) U.S. Army stands alert in Saudi Arabian Desert.

"Just two hours ago, Allied forces began an attack on military targets in Iraq and Kuwait. These attacks continue as I speak ... This conflict started August second when the dictator of Iraq invaded a small and helpless neighbor Kuwait, a member of the Arab League, and a member of the United Nations was crushed, its people brutalized. Five months ago Saddam Hussein started this cruel war against Kuwait. Tonight the battle has been joined ... Now, the twenty-eight countries with forces in the Gulf area have exhausted all reasonable efforts to reach a peaceful resolution, and have no choice but to drive Saddam from Kuwait by force. We will not fail ... Our objectives are clear. Saddam Hussein's forces will leave Kuwait. The legitimate government of Kuwait will be restored to its rightful place, and Kuwait will once again be free. ... Some may ask, why act now, why not wait? The answer is clear. The world could wait no longer. Sanctions, ... were tried for well over five months and we and our allies concluded that sanctions alone would not force Saddam from Kuwait.

While the world waited, Saddam Hussein systematically raped, pillaged, and plundered a tiny nation, no threat to his own. He subjected the people of Kuwait to unspeakable atrocities and among those, maimed and murdered innocent children.

While the world waited, Saddam sought to add to the chemical weapons arsenal he now possessed, an infinitely more dangerous weapon of mass destruction, a nuclear weapon.

And, while the world waited, while the world talked peace and withdrawal, Saddam Hussein dug in and moved massive forces into Kuwait.

While the world waited, while Saddam stalled, more damage was being done to the fragile economies of the third world and the emerging democracies of East Europe...

While the world waited, Saddam Hussein met every overture of peace with open contempt.

While the world prayed for peace, Saddam prepared for war. ...

This is an historic moment. ... We have before us the opportunity to forge for ourselves and for future generations a new world order ... where the rule of law ... governs the conduct of nations, ... an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the United Nations's founders. ... We have no argument with the people of Iraq. Indeed, for the innocents caught in this conflict, I pray for their safety. Our goal is not the conquest of Iraq, it is the liberation of Kuwait. ... But even as planes of the multinational forces attack Iraq, I prefer to think of peace, not war. I am convinced, not only that we will prevail, but that out of the horror of combat, will come the recognition that no nation can stand against a world united."

"The Nicaraguan people have shown that they want to live in democracy, in peace and in freedom," Mrs. Chamorro told more than 1,000 cheering supporters at her election headquarters on February 26, 1990.

(Opposite top) Nelson Mandela, one of the world's most celebrated political prisoners, was freed by the South African government in February after 27 years in prison. He was serving a life sentence for allegedly plotting sabotage to overthrow the white government

(Middle) The Cincinnati Reds, given no chance to beat the Oakland Athletics, needed only four quick games to win the World Series in one of the biggest upsets in baseball history. The Reds completed their improbable sweep on October 20, 1990 when they rallied for two runs in the eighth inning to win 2-1

(Bottom) German fans chanted and sang and screamed their pleasure on July 8, 1990 when West Germany dethroned Argentina and won the World Cup. "Deutschland ist Weltmeister (Germany is world champion)," was the prevalent scream among fans packed into Rome's Olympic Stadium as a match that had grown ugly with fouls in the second half finally ended.

(Opposite bottom) Defeating the Milwaukee Brewers on July 31, Texas Rangers pitcher Nolan Ryan won his 300th game. "I feel more relieved than anything else after all the buildup," Ryan said after joining the 300 Club. A crowd of 51,533 showed up to cheer Ryan on at County Stadium. "A lot of people have come in for this game. It's inconvenient for them, but they're friends of mine and they want to be a part of it," he said before the game. Ryan has become one of ten major league pitchers to win 300 games.

Heroes 1990-91

"Today the majority of South Africans, black and white, recognize that apartheid has no future. It has to be ended by our own decisive mass actions in order to build peace and security. The mass campaigns of defiance and other actions of our organizations and people can only culminate in the establishment of democracy.

The factors which necessitated the armed struggle still continue today. We have no option but to continue. We express the hope that a climate conducive to a negotiated settlement would be created soon so that there may no longer be the need for the armed struggle.

Today I wish to report to you that my talks with the government have been aimed at normalizing the political situation in the country. We have not as yet begun discussing the basic demands of the struggle.

Mr. DeKlerk has gone further than any other Nationalist president in taking real steps to normalize the situation. However, there are further steps as outlined in the Harare Declaration that have to be met before negotiations on the basic demands of our people can begin.

Our struggle has reached a decisive moment. We call on our people to seize this moment so that the process toward democracy is rapid and uninterrupted. We have waited too long for our freedom. We can no longer wait. Now is the time to intensify the struggle on all fronts. The sight of freedom looming on the horizon should encourage us to redouble our efforts. It is only through disciplined mass action that our victory can be assured.

We call on our white compatriots to join us in the shaping of a new South Africa. The freedom movement is the political home for you, too. We call on the international community to continue the campaign to isolate the apartheid regime. To lift sanctions now would be to run the risk of aborting the process toward the complete eradication of apartheid. Our march to freedom is irreversible. We must not allow fear to stand in our way."

The Blessings of Liberty

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

First Amendment to the Constitution

June 26 the U.S. Senate rejected a constitutional amendment against flag burning with critics arguing that it was already dead and being debated largely as ammunition for use against them at election time. President Bush called for approval of the measure, which said simply that "Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States."

"We the People of the United States, in order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity ..."

Preamble to the Constitution

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty, and the pursuit of Happiness."

Declaration of Independence

Academics

A Gathering Together

On Tuesday, September 11, the rituals of Wake Forest University were renewed at the traditional Opening Convocation. As we headed into our one hundred and fifty sixth academic session, Ed Christman asked those present to help and aid any person that might not have ever experienced hope. This request set the tone for the duration of the ceremony, as each individual recognized or installed that day was a perfect representation of hope and that desire to help others.

Weston P. Hatfield, Chairman of the Board of Trustees, installed David G. Brown as Provost. As Provost, Dr. Brown will be called upon to direct the faculty. He has "a zest for dealing with change" and will become integral to Wake Forest as a national academic institution. Along with this presentation, both the Honor Council and the Judicial Board were installed, as each member promised to work to the best of his or her ability in such leadership roles.

The Jon Reinhardt Award for Distinguished Teaching was presented to Carl Everest, former Professor Emeritus of Classical Languages. His years of dedication span from 1956 to 1989.

Finally, President Hearn introduced the speaker, John G. Medlin, President, Chairman and Chief Executive Officer of the First Wachovia Corporation. His address entitled "The Importance of Studies in the Humanities to Prepare for a World Undergoing Fundamental Change" emphasized that to succeed in the world of the Nineties, a liberal arts education, such as the one offered here at Wake Forest, is essential. In order that the US maintain its position as the main "economic engine and peace maker" in international affairs, the students of today must take hold of the challenges and opportunities awarded to them.

WFU: London

Worrell House, Wake Forest's house in London, is poised between two very different worlds - the quiet, well-to-do neighborhoods of Hampstead and boisterous, blue collar Camden Town. Wake Forest students acquire a unique perspective on one of the world's most historic cities as they go about their daily routines (If you're looking for those famous London punks with blue hair, Camden High Street's a great place to start.)

Living in Worrell House takes a little getting used to at first. You have to figure out how to share the kitchen with fifteen other people, and if you are a light sleeper the car alarms going off all night may not do anything for you. Also, you find out quickly just why they call it a water "closet." But it's not long until the house becomes a welcome sight after a weekend trip or a long day touring the attractions of Westminster. Always warm, it's a pleasant refuge from the frequently oppressive London weather.

Long after the semester is over, you wish you could still give your return address as "36 Steele's Road, Hampstead."

The Plaza Mayor in Salamanca.

Salamanca, the city of literary giants, nests in the north-western hemisphere of Spain. This city, which is in a class of its own, was home to Wake Forest students during the spring semester abroad. While Salamanca may seem secluded from the hustle and bustle of Western Europe, it bathes in literary and artistic splendor.

Cervantes, the great Spanish novelist, made Salamanca a celebrity in the fifteenth and sixteenth centuries. Statues and street names of the famous author are as common as the tiny bars that boast having served Cervantes one too many drinks.

Another highlight the city has to offer includes the University of Salamanca once considered a major center of European thought. Students today strive in their studies to pursue the challenges laid out by many of the great thinkers of the past. While life in Salamanca may seem overwhelming, the city is a timeless wonder of art and architecture.

After four relaxing and enjoyable months in Spain, students returned to "life on the run" again. While Salamanca had offered most a chance to stop and smell the roses, many were eager to return home to share their glimpse of the Old World.

Founder's Day

Dr. Paul Escott delivers the main address at Founder's Day Convocation.

President Thomas K. Hearn presents Weston Hatfield with the Distinguished McGillion of Merit.

Harold Holmes, Dean of Student Services, recognizes the members of Omicron Delta Kappa and Mortar Board.

On February 7, 1991, Wake Forest celebrated Founder's Day to the fanfare of carillon and organ. A combined Concert Choir and Gospel Choir provided a united voice for the occasion.

The unfortunate illness of the featured speaker, political columnist James Wicker of the *New York Times*, failed to hamper the celebration as Dr. Paul Escott, the Reynolds Professor of History and organizer of the "Minds of the South Conference", delivered a challenging speech reconnecting the promise of the university's future to many of its historic traditions. He stressed the importance of the academic spirit at Wake Forest that influenced a young W.J. Cash.

The special announcement of new endowments for the Nancy Susan Reynolds Scholarships and the Gordon Scholarships heralded new growth for the university's ever-expanding search for excellence.

Several members of the Wake Forest community were honored for service and excellence. Dr. James P. Barefield was awarded the Omicron Delta Kappa Award for Contribution to Student Life. Dr. Antonio Vitti was awarded the Reid-Doyle Prize for Excellence in Teaching, while Dr. Michael Berry was awarded the Sears-Roebuck Foundation Teaching Excellence Campus Leadership Award. Finally, Dr. Mark Welker and Dr. Byron Wells both received the Award for Excellence in Research.

Firing up the Fans

The Wake Forest Demon Deacon Cheerleaders take pride in what they do. They support the teams by cheering at football, basketball, and some soccer games. This year the cheerleaders came up with some new and exciting cheers. One of the fan favorites was "Overwhelm, overwhelm make them relinquish the ball."

In order to be in top form for the games the cheerleaders attended universal cheerleading camp over the summer. They also spent a week at the beach training. But it was not all good times. Christa Tyson said, "We had to run on the beach and practice everyday." The cheerleaders also have to practice

four times a week during the school year and spend large amounts of time in the weight room.

Cheering is not all the cheerleaders do. They do promotional work for companies such as Chick-Fil-A and Lifesavers. They also visit the Deacon Club members and the corporate tents before the games.

The Wake Forest Cheerleaders are sponsored by Goody's.

Student Sports

Even if a WFLU student is not on a varsity team, he can still enjoy competition through Intramural sports. Anyone can participate men, women, greeks, or independents. The spirit of Intramurals is best stated by Leo Ellison, Director of the Intramural office. "Intramurals are run by students for the students." Even if you don't play a sport, you can be a referee.

The sports offered for students include: softball, golf, tennis, football, water polo, Iron Deac biathlon, volleyball, soccer, swimming, weightlifting, basketball, bowling, racquetball, wrestling, and cross country.

This years winners include: football (men-Sigma Chi, women-

Delphi), golf (Dave Coulombe), soccer (men-Sig Ep, women-the Outfield), water polo (men-Aqueous Humor, women-Lynks), volleyball (men-Shoeshine Boys, women-Thymes), racquetball (David DuFault), women's bowling (the Outfield), tennis (women's singles-Jennifer King, women's doubles-Elise Purcell and Lorie Burnett, mixed doubles-Chloe Dallaire and Chris McDonald, men's singles- Stan Mogelnic).

Not Looking Back

The Lady Deacon's Basketball team finished the season with a 15-13 overall record and 5-9 record in conference.

The Lady Deacons earned an ACC victory in their first conference game of the season. The Lady Deacs defeated Georgia Tech 85-72. The Deacons leading scorer was Beth Davis with 27 points and the leading rebounder was First Team All-ACC player Jenny Mitchell with 14.

The Lady Deacons also got conference wins both times they played North Carolina. The Deacons won 77-65 and then 66-62. Once again the team was led by ACC All Stars Jenny Mitchell and Beth Davis.

The Deacons next conference victory was over Clemson. The Lady Deacs defeated Clemson 59-58 at Clemson. This victory gave the Deacons their fourth confer-

ence win.

Next, the Deacons beat the Blue Devils 68-51. Three Lady Deacons scored in double figures: Nicole Levesque (19), Beth Davis (18), Jenny Mitchell (16).

The Lady Deacons finished the season in sixth place in the ACC. The Deacons lost their first game in the ACC Tournament to NCSU. This prevented the Deacons from going to the NCAA Tournament.

The Deacons had an overall good season. Five of the conferences losses were by seven or less points. They played several nationally ranked teams in conference, including number 1 ranked Virginia.

The Lady Deacons aren't looking back, but to a new season. The Lady Deacons return 8 players in 1991-92, including Beth Davis and freshman Nicole Levesque.

ACC Rookie of the Year : Rodney Rogers

This year the Deacons had the best season they have had in seven years. The success was due in part to the play of Rodney Rogers and the coaching of Dave Odom. The sportswriters in the ACC recognized this and Rogers was voted ACC Freshman of the year and Odom the ACC Coach of the Year.

Rogers won the honor with the competition no where close. His two closest competitors were Grant Hill of Duke and teammate Randolph Childress. Rogers led the Deacons in scoring and rebounding.

Coach Odom received the honor of Coach of the Year in his second season at Wake Forest. The Deacons were picked by most sportswriters to finish about sixth in the conference, but under the leadership of Coach Odom the Deacons proved them wrong with a third place ACC finish and a trip to the second round of the NCAA Tournament. Coach Odom's closest competition was Les Robinson in his first year at NCSU.

Congratulations Coach Odom and Rodney Rogers.

Rodney Rogers is also great inside with the slam. He brings the crowd to its feet with this slam against Miami.

Coach Odom closely watches the action on the court. His coaching paid off and the Deacons defeated Duke.

What a Season!

The Wake Forest Deacon Men's basketball team had a strong season with a 19-11 record and an 8-6 record in conference. This was the best season the Deacons have had since 1984. The Deacons had a third place finish in the ACC and earned a bid to the NCAA Tournament for the first time in seven years.

The Deacons played well throughout the season, but moved for the top in January with a 21 point victory over NCSU in Winston-Salem. Freshman standout Rodney Rogers led the Deacons in points and rebounds.

The Deacons continued to do

damage in the ACC in February when they won back to back victories over Georgia Tech and Virginia, Feb. 9th and 10th. The Deacons, led by Freshman Randolph Childress with 28 points, defeated Tech 86-74. Then 24 hours later, once again under the leadership of Childress and Rogers, the Deacons beat UVA 74-66. Phil Medlin said, "It was great but we aren't looking back. We are losing only four seniors. We'll be better next year. We won't be as young."

Senior Robert Siler goes for three points. Siler shot 42.2% from three point range.

Freshman Treionnie Owens goes up over Eric Montrass from UNC. Owens provided great help off the bench in his first season.

Hoop Action

Junior Chris King breaks away and gets the easy slam against Clemson. The Deacons won 81-55.

Anthony Tucker leads the fast break for the Deacons against Duke. Tucker contributed 31 points in the 86-77 victory over Duke.

Guards Robert Siler and Derrick McQueen effectively use the double team against Carolina.

What a Season!

Cont'd from p. 114

Then less than a week later, the Deacons manhandled number five nationally ranked Duke, 86-77. Duke only led one time in the game. Anthony Tucker led the team with 31 points and 11 rebounds. Tucker said, "It was great to score 31 points, but it was a total team effort."

The Deacons next victory came over Clemson. The Deacons destroyed the Tigers 81-55.

The team's last regular season conference game was in Raleigh against NCSU. The Deacons won 89-84 and handed NCSU its first loss in Reynolds Gym in 1990-91. The Deacons were led by Rogers and Chris King. This second victory over NCSU gave the Deacons a third place ACC finish and guar-

anteed a NCAA bid to the Deacons. Derrick McQueen said, "It was a very big game for us. We took out the crowd. Our guys went in and stayed focused for 40 minutes and stayed in the game plan."

The Deacons were voted 5th seed in the Southeast in the NCAA. They faced La. Tech in the first round and with the leadership of Childress, C. King, and McQueen defeated them 71-65. Next the Deacons faced Alabama. Despite King's 29 points and Rogers 12 rebounds the Deacons lost 88-96.

The Deacons are looking for great things next year. They return 12 players under the leadership of Coach Odom, the ACC Coach of the Year.

Showing Promise

Wake Forest had their ups and downs on the grid iron this season but continued in Deacon pride and spirit. The Deacons opened the season with a 33-17 loss to Rice. The Deacons fell behind early, but scored two touchdowns in the second half to make it close. Coach Bill Dooley said, "I have to give Rice credit. They mixed up their offense well."

In the home opener against Appalachian State the Deacon defense forced four turnovers and held the A.S.U. offense to 259 yards of total offense. Tony Rogers and Anthony Williams each ran for a touchdown, while placekicker Wayne Tollison kicked a schoolre-

cord 53 yard field goal.

The Deacons played N.C. State and pulled within five points late in the fourth quarter, but lost 20-15. The Deacon defense showed promise by creating five turnovers and holding the Wolfpack to 91 yards rushing on 43 carries.

At the homecoming game the Deacons treated fans to a 52-14 rout of Army. Anthony Williams rushed for 138 yards, as the Deacons rushed for a total of 342 yards. Williams and Tony Rogers are both strong runners.

Putting up a Fight

Coach Faircloth said, "Williams had a heck of a year. We'll miss Tony (Rogers) and look for someone to step up and give Anthony some help." The Deacon offense racked up 444 yards of total offense and dominated the Cadet defense, crossing midfield on every possession. Coach Faircloth said, "Everybody played well against Army and we got them on a good day."

A home town crowd gathered in Groves Stadium to watch as the Deacons played their arch-rivals, UNC. The Deacon offense was only able to generate 126 yards in the second half, as Wake Forest came up short, 31-24.

The Deacons next travelled to Maryland to take on the Terrapins.

Anthony Williams returned a Maryland kickoff 98 yards to set up a Deacon touchdown shortly before the start of the fourth quarter. Yet it was too little too late, as the Terps walked away with 41-13 victory.

The Deacons put up a tremendous first half fight against the newly crowned number-one ranked Virginia Cavaliers. With three minutes left in the first half UVA scored 14 unanswered points. The Deacons lost to the Cavaliers 49-14.

The Deacons next encounter was with the Clemson Tigers. The nation's third ranked defense

found innumerable opportunities to smother quarterback Phil Barnhill. The Deacons could not withstand the Tiger defense and fell 24-6.

The Deacons then travelled to Durham to take on the Duke Blue Devils. Duke rushed for 294 yards on 46 attempts. They compiled 500 total offensive yards and glided to an easy 57-20 victory. Coach Dooley said, "We made too many mental errors...We took an old fashioned whipping today. It was embarrassing."

Wake Forest finished their season in champion form by toppling Vanderbilt 56-28. Due to Phil Barnhill's ankle injury, backup quarterback Keith West started in his first game of the season. He threw for 269 yards to aid the Deacons in the victory. Although the Deacons finished the season at three and eight, they showed great potential for the future. Building A Tradition

For the second year in a row, the men's cross country team captured the ACC Championship. They also placed 18th at the 1990 NCAA Championship.

The team kicked off the season by taking first at the Carolina Classic. They continued with another first place finish in the Wake Forest Invitational. Next, the Deacons finished third at the Stanford Invitational. Closing the regular season, the team finished eighth at the Furman Invitational led by Dennis Hearst and Paul Sklar.

At the ACC meet, Stuart Burnham placed third, Ben Schoonover finished fifth, and Kyle Armentrout took ninth. All three were named to the All-ACC team and Coach John Goodridge was named ACC Coach of the year for

the second straight year. Wake beat NCSU to win the title. Coach Goodridge said, "I was proud of the way the team handled the pressure of defending that title."

The next target for the Deacons was the NCAA district III Championship. The Deacons finished fourth under the leadership of Burnham, Schoonover, and Sence. This finish enabled the team to compete in the nationals for the third straight year.

Although the team is young, the Deacons and Coach Goodridge have great potential. Coach Goodridge said, "I'm excited about next year. We're returning six of seven (first team runners)." The Deacons look forward to future success and another championship season.

Running in Stride

The women's cross country team was successful despite injuries. The Lady Deacons hope to avoid injuries next year and make a run for the ACC Championship.

The early part of the season was good for the Lady Deacons, but then the injuries started to build. At the Stanford Invitational, only six WFU runners participated and the team finished 13th out of 15 teams. At this point in the season, five runners were out for the remainder of the season.

At the Furman Invitational, the team finished sixth overall. Junior Mary Powell was the top finisher in fourth place. Sophomore Kim Many finished 26th and sophomore Jennifer Olive took 37th.

The next meet for the Lady Deacons was the ACC Championship in Charlottesville, Virginia. The team finished fifth by beating Duke and pulled to within seven points of UNC. Powell finished seventh overall and earned All-ACC honors. Sophomore, Carrie Powers was second with a 17th place finish. Many and Olive were the next Deacons to finish.

The team is looking forward to next season free of injuries. The team is not losing any runners. The 1991 ACC title is within the reach of the Lady Deacon runners.

Sticking Tough

This season the field hockey team finished with a winning record of 13-5 and placed second overall in the Deep South Tournament. One reason for the team's success was hard work and dedication. Kara Coats said, "We worked well together."

The starting team this year consisted of two seniors, heavily leaning on the younger players to help lead the team to victory. Tracey Stickney, a senior, was the best offensive player. She scored the most goals this year (18) to extend her career goals to 59. Also, Stickney became the second player in the history of WFU field hockey to to earn All-Deep South honors all four years at Wake. Overall Wake Forest had seven players make the All-Deep South teams: 1st team--Tracey Stickney,

Kerri Gallipoli, 2nd team--Nancy Havlick, Carey Borkoski, Jane Armstrong, 3rd team--Beth Alexander, and Karen Liberi.

Next year the team looks forward to an aged and experienced team. Kara Coats said, "We'll have a strong team. We'll lose our high scorer but we'll have a lot of potential scorers. The defense will still be solid." Although the Deacons lose two seniors, they still have very strong players returning following a strong recruiting season last year. Junior Kara Coats said, "We had some really good freshman talent that sparked competition and the skill level."

The Deacons are looking for a strong season next year with hopes of recapturing the Deep South Championship.

Center back, Kerri Gallipoli prepares to take on her Longwood opponent as she moves toward the goal.

Right wing, Nancy Havlick tries a reverse stick dodge on her Longwood opponent.

Sophomore, midfielder/defender Thomas Finlay goes in for a shot on the USC defenders.

Junior Craig Conger heads the ball away from his South Carolina opponent. Conger started in 20 games this season.

Sophomore Raimo deVries tries to save the ball from his USC opponent. The Deacons finished 7-3-2 in the new soccer stadium.

Continued Success

After an extremely successful season in 1989 that ended in an ACC Championship and extensive NCAA tournament play, the Wake Forest soccer team did not stop but continued to work hard during the 1990 season.

The Deacons moved from Polo Field into the new Campus Stadium. The stadium and the season opened with a victory over Stetson in the Planters Life Savers Soccer Classic.

The team had to go into overtime to tie St. Mary's in the second game of the Classic. This began a season of long hours for the Deacons who had almost half of the season's matches come down to the wire in overtime decisions.

One highlight of the season was a trip to California where the Deacons played some excellent soccer against highly ranked UCLA and San Diego State in the Met Life Classic.

Midfielder, Steve Holeman tries to outmaneuver his USC opponent. Holeman was 50% on scoring.

John Stark prepares to go around his USC defender. The Deacons tied the Gamecocks 0-0 in overtime.

Holding Their Own

With many returning starters and the World Cup play experience of Neil Covone, the Deacons held their own while playing a very competitive schedule. Coach Walt Chzowych felt the team's schedule was "the toughest in the Southern region and possibly the most difficult in the country."

The Deacons made a strong showing at the end of the season with key ACC victories over NC State and Duke. An overtime shootout loss to Virginia in the ACC tournament semifinals, a repeat of last year's championship win over Duke, prevented Wake Forest from repeating the ACC Championship. The team's consistent

play and rigorous schedule earned it another NCAA bid.

Team work and strong play characterized the exciting matchup between Wake Forest and UNC in the first round of the tournament. The Tarheels managed to hold off a Deacon comeback to end Wake Forest's season at 9-8-3.

The team has many talented players ready to return next season and continue the Wake Forest soccer winning tradition. 1991 promises to be another challenging and rewarding year for the Deacons.

During the Fall 1990 election, Wake Forest College Democrats were among the organizers of Harvey Gantt's visit with Wake students. Gantt listened to individual concerns and support in an effort to become acquainted with the ideas of the collegiate environment. Despite his enlightened approach, Gantt failed to unseat incumbent Jesse Helms.

Though some sports writers would have you believe that the unprecedented basketball success this season was due to excellent freshman recruits and outstanding coaching, these guys could tell you the truth. Though the entire campus became dedicated deacon followers, the newly re-organized Screamin' Demons were the epitome of Wake's new athletic loyalty!

The Psi Delta chapter of Delta Kappa Epsilon was organized in 1969 by a group of men that believed that there was more to a fraternity than just a lounge and some designated suites in a college dorm. In April of that year, this group became a recognized colony of ΔKE. With the help of its sponsor, Mr. Bowman Gray III, and other prominent ΔKEs in the Winston-Salem vicinity, the chapter was officially installed in 1970. Since its beginnings in the first house at 2714 Reynolds Road, ΔKE has existed as the only off-campus fraternity at Wake Forest.

The old house was reportedly haunted by a ghost known affectionately named "Lieber". In the summer of 1980 the old house was torn down to make room for The Commons condominiums. This marked the beginning of the "new" house at 1101 Polo Road where the fraternity now resides.

The fraternity has a long history of involvement in leadership at Wake, boasting seven student body presidents, as well as other legislative and extra-curricular positions. The ΔKEs have and continue to be a dominant force in intramural sports also.

KAPPA ALPHA Established as the first fraternity on campus in 1881, the Kappa Alpha Order has an interesting and rewarding history at Wake, this year was no exception as Tau Chapter celebrated its 100th anniversary at Convivium. The KAs hosted several band parties including the traditional South in Grit Party. We also hosted "Old South", our spring formal, at Kaawah Island, reveling in the tradition inspired by our spiritual founder Robert E. Lee.

The KAs also continue to flourish on campus and in the community. Several of our members participate in intramurals as well as in student government. We also participated in community service activities including helping in the preparation of the Vantage Tournament, the annual M&E Bowl and the adopt a highway program. KAs enjoyed a great year and look forward to more good times in the future.

A pre-exam party with Sigma Nu helps these SOPHS catch the Christmas spirit.

Sharing the love of blue and white, garters, and the true meaning of S.O.P.H., our society is stronger than ever! In our 34th year, we remain an integral part of the university as leaders. The most memorable events are our traditional functions, the Rose and Candle formal, Sun and Sandals semi-formal, and the Wild Blue Yonder suitcase party. We have worked for the community through the College Fund Telethon, Brian Piccolo Cancer Fund Drive, and the Winston-Salem Shelter and Habitat for Humanity. No matter where we are - parties, intramural sports or S.O.P.H. dinner - we are building a sisterhood that will last even beyond our time at Wake Forest.

It has been an eventful year at Delta Sigma Phi. We have learned that Naugahyde couches cost 650 big ones, the 4th floor doesn't hold water, girls take advantage of you when you're drunk, the max capacity of a Jeep is 4, and paint can be very expensive.

Beyond the Swamp Party, Biker's Party, Pig Pickin', and Sailor's Ball, Delta Sigs still boast the tightest circle of friendship on campus.

Fall Pledge Night, Phoenix get carried away with all the excitement.

PHOENIX: "Mine Today, Yours Tomorrow": The founding sisters of Phoenix Society adopted this motto and established a new sisterhood on March 7, 1983. Our society is based upon lasting bonds of friendship and sisterhood. Phoenix sisters can be seen in a wide variety of activities on campus and in the community.

In the fall of 1990, the sisters of Phoenix unanimously voted to seek association with a national women's fraternity. After careful consideration, the sisterhood has decided to pursue affiliation with Alpha Delta Pi sorority. We are very enthusiastic about our endeavor and look forward to enlarging and strengthening our sisterhood.

Leadership, Friendship, Service. These are the cardinal principles of the nation's largest greek letter organization, Alpha Phi Omega. We are a co-ed national service fraternity with a comprehensive service program to the University, the community, to our chapter, and to the nation. Here in the Napa Theta Chapter, we participate in such projects as American Red Cross blood drives, volunteering at the Samaritan's Soup Kitchen and Homeless Shelter, and our annual United Way fundraiser in the fall, running a taxi service to the airport between major breaks in the school year and that's just to name a few. Service is what unites us in an integral part of our brotherhood is our social program. From our spring formal, "White Cross and Sabre" to our extensive intramural program, Alpha Phi Omega offers the service-minded student the fellowship only found in a fraternity.

Colophon

Volume 89 of the Wake Forest University Howler was published by the Hunter Division of Jostens Printing and Publishing in Winston Salem, North Carolina. The trim size of the 1991 Howler is 9 by 12 and contains 336 pages. The book was printed using the offset lithography process with 100% black ink.

The 1991 Howler is smytheseewn with 160 point binder boards and headbands. The cover is number 499 - Nighthawk with a Spanish Grain. The cover lettering is hot foil stamped silver. The black artwork is lithographed.

All color transparencies were laser scanned using 150 line screen for individual reproduction. Color transparencies and prints were processed and printed at Talton Professional Photofinishing of Winston-Salem, North Carolina. With the exception of student contribution section at the end of the book, all photos were provided by the Publications Board Photography Staff using Fujichrome and Ektachrome film.

All black and white photographs were individually reproduced using a 150 line screen. Student portraits were photographed and processed by University Portraits of Raleigh, North Carolina.

The 1991 Howler contains 64 pages of four color processing, 1 page (opening) with spot color chosen from the Pantone Color Matching System.

Typestyles vary from section to section. The overall typestyle was souvenir light. The cover and division pages used Mistral typestyle. Point sizes also varied, generally body copy was 10pt, headlines 36pt and captions 8pt.

The Howler staff was allotted \$60,400 from the Student Budget Advisory Committee for the publishing of the 1991 Howler and maintenance of the Howler office. All expenses incurred which exceeded the budgeted amount were paid from incoming revenue from the portrait commissions and advertisement sales. All advertisements were sold and managed through Academic Periodicals of Marietta, Georgia.

The 1991 Howler has a press run of 2750 copies with a contracted delivery date of August 26, 1991. There is no charge per book for students. The 1991 Howler was prepared by a volunteer staff selected through an application process. Section Editor positions were filled by an application process and through interviews. The 1990 Student Publications Board elected the 1991 Howler Editor in Chief to serve in that position.

Opinions expressed within are those of the individual authors and are not necessarily those of the students, the administration, the faculty, or the staff.

Editor's Note

Serving as editor-in-chief for two consecutive years is a unique privilege. Being the last editor in the old office, 229 Reynolda, and the first editor in the new office, 500 Benson, is an incredibly rare privilege.

With an experienced staff, this year's Howler was a joy to work on. Having Section Editors that know what they are doing makes my job that much easier. I really want to thank each of you for the excellent work that you did over the course of the year. I know the amount of time and level of patience that each section took. I'm very proud to have had an opportunity to work with each of you.

The theme is somewhat of a mystery. One existed, it was "Future Reflections" but each section kinda went off on their own tangent. The book is unified in its overall concept of creating memories that one day students will use for reflection upon their college days.

I would like to thank each and everyone of my staff members; you don't know how much your dedication has meant to me.

Erin, I promise to take the green slips to the controller's office by 11:00. I know I kinda made you mad every now and again, but I still think we worked well together. At least we won't need to buy anymore bookshelves! Good luck next year. I'm sure you will do a great job, yet again. Carl, I really want to thank you for your patience with me and my staff. I KNOW we made you mad — often. Sorry, sorry, sorry. But I do think that the photography in this book is some of the best the Howler has seen in long while. Without your drive to make the photography the best it could be, I know we would not have the quality book you see before you. Thank you very much. "For those of you who were overseas last semester" I would like to thank you doing your job in only one-half the time. Mañan I'm glad that you were able to have a staff this year to make your job easier. Cindy and you worked well together, I'm sure that working relationship will continue next year. Thank you for your work, the Student Life section is quite a task and it looks really good. John, I'm gonna write "No roster provided" on your tombstone. The organizations section is a lot of grief and you handled it quite well. Thanks for your time and effort. The photographers are glad you finished I'm sure. Thanks for the Mac stuff too. Sorry that you won't be able to help next year. We'll have to get together and compare "veteran stories." Jennie, the classes section is the least exciting of all because of its repetition. It really looks great, thank you for doing it all. I don't know if I could have done it again this year. Kacey and Rob, the dynamic duo. Your section was by far the most exciting, simply because you made it that way. I hope you have just as much fun with the Greeks section next year, but you might want to pick up the pace STICK BOY and STICK CHICK. Rebecca, once again you handled the greek section with little help from me. (I like that.) We will miss you next year. I promise to get the greek photos back to their donors when the book arrives. Julie and Gina, I'm incredibly proud of the work that you did in the Sports section this year. We're gonna have to work on the photographers for intramurals and baseball (different people) for next year though. Julie, enjoy your work with Sports offices. I'm sure you will apply the same dedication to them as you have the book. Gina, I hope you have a good time with the entire section next year. Thank you Cheri; mailing those books to "those" seniors who didn't sign up was grating on my nerves. I wish you well on the Student Life section next year. Thank you for everything else, you are a true friend. I like your car, too. Finally, thank you Jo Ann Thomas of Hunter Publishing. We really will miss working with you next year, but hope that we can one day work together again. Thank you for letting us hold the color graduation spreads for this year's book. I think it really looks good and is appropriate as this class won't receive next year's book. Thank you also to all staff members who contributed to the production of the book.
